PSA Senate Proposals Tentatively Set Up In Senate's Last Meeting Controversy Temporarily Settled

One of the most discussed events on campus, the proposed changes in the Pacific Student Association Constitution, finally started the long drive to its conclusion last Tuesday night. At that time, the propositions and their phraseology were tentatively set up as follows:

A. Proposed that the following be known as Amendment One of the constitution and By-Laws of the Pacific Student Association;

Section 1. Colors;

The official colors shall be orange and black.

Section 2. Flower;

The official flower shall be the California Poppy (*Papaver Escholtzia*).

(Continued on Page Two)

Radio Representatives On Campus April 24

A representative group of the Bay Area's top radio sales personnel will be on campus April 24, to participate in a sales clinic designed to interest people in the field.

In the group will be representatives of network radio stations independent stations and advertising agencies here on the West Coast.

The clinic will consist of the showing of films on radio sales, discussion of the problems in the field, and a general question and answer session for the benefit of the students attending.

The person responsible for the gathering of this noted group is Dave McDonald who graduated from COP in June of 1951. He is now with the advertising agency of Wank and Wank in San Francisco. The clinic will start at 1:30 on April 24, and will run until 5. Everyone is invited to attend.

PAULA HAYWARD

SPORTS CARNIVAL QUEEN

"Good News" Feature By GEORGE FOWLER

The rollicking musical, "Good News," a comedy of college life, will begin its schedule of eight performances April 23. Staged by DeMarcus Brown's able leadership, a company of 50 singers, actors, dancers and musicians will romp on the stage of the Pacific Auditorium starting at 8:30.

The plot deals with a football player who is faced with disqualification as the big game approaches. The vehicle is also used as an occasional background for a number of song hits, of which the title "Good News" is featured.

The Pacific Theatre box office is open daily from 9 a.m. to 12 noon, and from 1 to 5 p.m. to make reservations for all performances. After the April 23 opening, the musical will play April 24 and 30, and May 1, 2, 7, 8, and 9.

EIGHT CANDIDATES RUNNING FOR 1953 MARDI GRAS QUEEN—WINNER TO REIGN FOR WEEK

Would you like to be queen for a week? This is the chance offered to one of the eight girls who is running for Mardi Gras Queen this year.

Instead of reigning for just one night, as has been the practice previously, the Mardi Gras Queen this year will reign over nearly a whole week of festivities.

A candidate for queen was chosen from each girl's living group by a committee of representatives of the men's living groups. The only requirements for candidacy were that the girl be a PSA member and had never before run for Mardi Gras Queen or Homecoming Queen. Candidates this year are as follows: sophomore Margaret Collins, representing South Hall; Phyllis Pyle, freshman, from West Hall; candidate from Tau Gamma

Gamma, Margaret Leonardini, a graduate student; Jeanette Olsen, sophomore, was nominated from Zeta Phi; junior Betty Jacinto represents Mu Zeta Rho; Epsilon Lambda Sigma present junior, Carol Ortner for the contest; from Tau Kappa Kappa, Dora Wilson, sophomore, was selected; and Barbara Moore sophomore, represents Alpha Theta Tau.

These candidates will all be introduced at the opening Mardi Gras rally Monday night. Campaigning and waiting for the outcome of the voting will be their special headache on Tuesday and Wednesday, although they will

(Continued on Page 8)

Students vs. Faculty Pies, Eggs Take To Air

Like to see Dean Betz and Ron Leineke, Dean Monroe and Tom McCormick, Harriet Sheldon and Jerry Kirsten, Miss Deering and Lowell Herbert participating as partners in such things as an egg throwing contest and a pie eating contest? If you would, then, the place to be is at the quad in front of North Hall, next Tuesday from 3:30-4:30. These student-faculty games will comprise the major part of the Tuesday Mardi Gras program.

Other events being planned are sack races, three-legged races and a wheel-barrow race.

Immediately following the races, a giant tug-of-war between the freshman and sophomore classes (including both fellas and gals) will be held over a big hole filled with muddy water behind the fraternity houses. One class will not be able to win the contest until they have pulled everyone in the other class through the hole. It ought to prove interesting!

Pacific Band Tours 4 Days; 11 Concerts

Pacific Band Frolic has paid off again!

Because of its huge success the band is again able to take its annual spring tour. The band members left last Wednesday morning and will return sometime Saturday.

During the four busy days the band will perform 11 concerts in six different towns. Their first concert will take place in Sacramento at Grant Tech. and from there they will proceed to Auburn, Placerville, Orland, Oroville, and Redding.

Elysian Fields Star In Mardi Gras Mon.

Eight jewels fit to be queens will be the feature luminaries in Trepichore's court as H.A.P. 111 presents the kick-off rally of Mardi Gras Week next Monday night at 6:45.

The all important main attractions of the evening will be the presentation of the contenders to the throne of the Pacific Mardi Gras Queen. "Peck" promises the presentation will be unusual, when compared to past presentations, and very much in keeping with the occasion.

"Pres. Geoffrey" will open the affair in the conservatory.

"Old Doctor" Scott with the aid of various and sundry muses is the chief instigator of the Elysian format. To put it in the words of one of our BMOC's:

I know of a place called COP
Where the skys are always blue,
It's in a town not far
from the sea
It's Stockton by the Slue.

In this town there's a college
of cats

Who know how to entertain
We sent a message
to these tigers

And got a show of wild acclaim.
Many of your friends and fellow students will be on hand to do this show up grand just for you.

By arrangement with "Doc" Scott, Wayne Morrell and his Olympian cats will more than provide the likely music you will hear.

"Temptation," "Blue Moon," and "September Song" are just a few of the many numbers that will form the 'Muse-ical' part of this program.

Are You Uglier Than Any One Else? Run!

Do you have a favorite candidate for the Ugly Man Contest? Are you eligible? Rules are simple.

1. Any College of the Pacific man student is eligible.
2. Any Stockton College man student who is a resident member of the College of the Pacific is also eligible.
3. The candidate must have a PSA card or if in Stockton College, a P card.
4. Names of candidates must be submitted to the contest chairman, Don Tafjen, on a petition bearing 25 signatures.
5. The candidate must give his approval before his name is accepted.
6. The winner of the contest shall be decided by a PSA election.

The Ugly Man will be introduced to his fellow students at the Faculty Frolics in the Conservatory at 11:00 Thursday, April 23. The Mardi Gras queen will also be presented at this time.

The winner of this "non-beauty" contest will receive an appropriate gift, selected by Chairman Tafjen.

Voting for this honor (?) will be held at the PSA office and the Administration building from 8:00-5:00 Tuesday, April 21. The voting will continue Wednesday,

Debaters Receive Tourney Honors

Three Pacific students returned Monday evening from a Pi Kappa Delta convention-tournament, bringing with them high honors.

The bi-annual meeting of the national honorary forensic fraternity held this year at Kalamazoo College in Michigan, was attended by Pat Drake, Jim Lewis, Sheldon Nicholayson, and Dean and Mrs. Edward Betz.

In this combined convention and speech tournament, ratings of superior, excellent, and good were given instead of the usual place ratings.

Miss Drake and Mr. Nicholayson both rated superior in a discussion "Combating the Influence of Communism."

In the oratory division, Sheldon Nicholayson received a rating of excellent for telling about his experiences while living in South America for two years.

Entered in the extemporaneous class, Jim Lewis rated good in his speech on the "Expansion of Federal Powers."

Lewis and Nicholayson received a rating of good in debate, where they had a 5-3 record.

Dean Betz, a past president of Pi Kappa Delta, served as chairman of the nominating committee at this convention. The convention-tournament will be held in Southern California in 1955.

and the Ugly Man will be announced Thursday.

Elections Approach Petitions Due 27th

The day is closer than ever! This coming Monday, April 20, is the opening day for the petition for PSA offices. Lasting until the following Monday, April 27, the prospective nominations must be turned in at that time to the Dean of Men's offices, no later than 5:00 p.m.

The campaign rules for this year's elections are as follows:

1. No writing on walls, sidewalks, streets, or defacing of grounds or property. Signs are not to be tacked on trees.
2. Outside posters and signs may be used, but posting is subject to these rules; 3. One poster, per candidate inside each of the buildings. B. The President and the Vice President may have their picture on three of their posters. C. Other officers may have their pictures on two of their posters.
3. No handbills, or leaflets, or campaigning by means of aircraft.
4. Loudspeakers cannot be used while classes are in session between the hours of 8 a.m. and 4:30 p.m.
5. No campaigning (within 100 feet) at the polls on the day of election.
6. Cars may be painted provided permission of the owner is given.
7. No advertising in downtown newspapers, periodicals, or other publications. (PACIFIC WEEKLY excepted.)
8. Campaign expenses will be limited to twenty dollars (\$20). An itemized expense account must be submitted to the Student Affairs Committee by May 7th at 4 p.m. Disregarding this rule may result in disqualification.
9. For violation of any of these rules, candidates will be disqualified, and also for extraordinary reasons not covered by these rules. All cases will be handled by the student affairs committee. Charges of violation must be presented to the President of the PSA before the polls are closed.
10. Posters must be removed immediately following election.

Balloting for the student offices will take place on two days, May 6 and 7. Eligibility for nomination may be had only on satisfactory completion of an examination on Robert's Rules of Order, and another on the constitution of the College of the Pacific.

Editor's note: Advertising space in the PACIFIC WEEKLY is available to all candidates. Rates will be \$.85 per column inch.

Motor Trend To Offer Design Scholarships

Motor Trend magazine will offer five \$2,000 scholarships to be awarded the winners of a new contest designed to uncover hidden talent in the field of automotive and industrial design, it was announced in the March issue of the automotive magazine.

The scholarships will be four-year courses at one of America's most respected designing schools, the famed Art Center in Los Angeles, according to Motor Trend editor Walt Woron.

The designs may incorporate an entire automobile or may be simply for such accessories or parts as bumpers, door handles, or dash boards, the article stated. The contest differs from many similar types by not requiring subscriptions to the magazine, entry fees, or other "gimmicks."

WHO WILL IT BE?

Senate Proposals

(Continued from Page 1)

Section 3. Emblem;

The official emblem shall be the Tiger.

B. Proposed that the following be known as Amendment Two of the constitution and By-Laws of the Pacific Student Association;

This association shall be authorized to become an integral part of any federation of the student bodies of the College of the Pacific and Stockton College upon a threefourths majority of the votes cast at an official election of the Association.

C. Proposed that the following be known as Amendment Three of the constitution and By-Laws of the Pacific Student Association.

No person shall be recognized as an ex-officio member of the Association whose organization is not chartered by the College.

D. Proposed that the following be known as Amendment Four of the constitution and By-Laws of the Pacific Student Association.

Vacancies occurring among the ex-officio officers of the association shall be filled by the organizations which first elected such officers subject to the approval of the Senate.

E. Proposed that the following be known as Amendment Five of the Constitution and By-Laws of the Pacific Student Association.

Interpretation of the Constitution shall be effected by a majority vote of the Senate upon the request of any member of the Senate.

It was emphasized by President Geoff Thomas that "These are only proposals which have been approved by the PSA Senate. These changes will not become effective until approved by a three-fourths majority of those voting in a general election."

Atom Bomb Drill Will Take Place On Campus

Repercussions of the recent atom bomb blasts will be felt on College of Pacific campus between April 20 and April 24.

Sometime during those four days an atom bomb defense drill will be held and everyone on the campus will participate. The recent Nevada blasts indicate that America is far below par in atom bomb defense. This drill will be part of the nation-wide program for improving this defense.

The drill will be conducted in the same manner as the periodic fire drills. A fire siren will serve the warning and with that a quick and orderly exit from all buildings is expected. The following is a chart showing just where each person will evacuate to:

CONSERVATORY — To banked wall inside of GREEK THEATRE
CHAPEL and SEARS HALL — To basement of CHAPEL
SOUTH and WEST HALL — To banked wall inside of GREEK THEATRE
BOOKSTORE — To basement of BOOKSTORE
LIBRARY — To basement of LIBRARY

ALL OTHER PERSONS — To FAR SIDE of the LEVEE North of the campus. This levee extends behind the RADIO STATION and the CIRCLE to the HIGHWAY.

The drill has been planned by city and college officials. Experts have chosen the concealment areas because they offer adequate protection from the expected direction of the blast.

Participants aren't expected to lay flat on the ground, as they would in case of an actual bombing, but otherwise they are expected to cooperate fully.

Campus Church Relations Committee

OPERATION 'STUDENT UNION' IN FULL SWING

Determining the need of a student union on the Pacific campus is the project of a committee recently appointed by the senate.

For several weeks, the committee, with Ursula Herrick as chairman, has been studying the plans of student unions on the campuses of comparable schools, and formulating tentative plans for the possible organization of one at Pacific.

After talking with several members of the faculty and administration and the investigation of available locations for a proposed student union, the committee has now come before the student body with the results of its inquiries.

Representatives from the committee and the senate went before the members of each living group last night and asked this question: "Do you think a student union is needed at Pacific?"

In addition to asking the question, the committee also explained exactly what might be incorporated in a student union, what requirements and restrictions might have to be made, and the possibility of actually getting a building for such a purpose.

The main point emphasized in the committee's presentation was the fact that the committee and the senate are not trying to sell the student body on the idea. They are only asking if the student body feels that it would be worth while to try to set up a student union.

"We hope that each person on campus will give this question serious consideration as the living groups prepare their reports to be given to the senate," said Ursula Herrick, chairman. "As soon as the committee can make a comprehensive report to the senate, a follow-through, depending upon the opinion of the student body, will be made."

Members of the committee are Ursula Herrick, Geoff Thomas, Joy Laten, Coralita Carlson, Phil Wogaman and Jack Mansfield.

Speech Clinic Eminent In Summer Courses

By NADINE REASONER

Summer is fast approaching, and with thoughts of summer comes dreams of swimming, sunbathing, picnicing, summer jobs, and perhaps some of us are contemplating summer school. And this is where Pacific enters in. Naturally, COP offers the usual in summer session work, but of outstanding significance is the 10 week summer speech clinic.

Actually, this should not be called a speech clinic solely, for many other types of therapy are offered, along with speech in the clinical service program. The ten week period includes such things as play therapy, music, speech, and organized entertainment, all under the finest of instructors.

All those attending the clinic live on campus, and their entire days are planned for them. Students interested in any of the fields offered by the summer clinic take note, for here is an excellent opportunity to learn by doing, and receive credit too.

These are only the highlights of the tremendous program that is planned. More information is yet to come from Dr. Runion and Miss Farrow of the Speech Department. So, after you soon learn of all the details, inquire further, for here is a chance to put your thoughts of summer into productive, educational channels.

ARE YOU TOUGH ENOUGH FOR THIS JOB?

If you can make the grade, the U. S. Air Force will award you a commission, your wings and pay you over \$5,000 a year!

CAN YOU "take it" 6 days a week? For 52 weeks? Can you meet the high standards required to be an Aviation Cadet? If you can—then here's a man-size opportunity! An opportunity to serve your country and build a personal career that will fit you for responsible positions both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the beginning—

your opportunities for advancement are unlimited.

ARE YOU ELIGIBLE?

To qualify as an Aviation Cadet, you must have completed *at least* two years of college. This is a *minimum* requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

New Aviation Cadet Training Classes Begin Every Few Weeks!

HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training Class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

Where to get more details: Visit your nearest Air Force Base or Air Force Recruiting Officer. OR WRITE TO: AVIATION CADET HEADQUARTERS, U. S. AIR FORCE, WASHINGTON 25, D. C.

Pacific Sports

Sports Editor — NORM HARRIS

Tiger Nine Continue Fast Pace, Host Potent Spartans Tomorrow

Coach Van Sweet's diamond boys continue their fast pace this weekend with three games on tap in as many days. Lack of mound material has hampered the Bengals' style to some extent in their hurried schedule to date. Dave Tivio, Frank Bevilacqua, Jerry Streeter and Gene Wellman are performing hurling duties for the Tigers so far.

Memorial field is the scene of a twin bill with vicious San Jose State tomorrow afternoon. The Spartans, whose chucker is as yet unannounced, face a battery of Dave Tivio on the hill and Gene Wellman taking them behind the plate. Chances are good that Tivio will do a repeat marathon, dittoing last Saturday's feat by starting the second contest.

SPARTANS TOUGH

The State Spartans, displaying heads-up fielding and hard work at the plate in their recent tangles with Visalia and Idaho Falls, both professional teams, require respect for their talents. Pacific's Tigers, although lacking in the pitching department depth, have displayed much prowess afield and boast a cleanup swatter poling a .320 batting average, in Dutch Triebwasser. Dependable Jerry Streeter, in from shortstop, blasted a pair of round trips in last Saturday's melee.

A return engagement with the Idaho Falls nine is on the agenda for Monday. The local Bengals invade Lodi for the contest at three o'clock that afternoon, roaring to even the count. The first affair found Pacific on the small end of a hit and run barrage by the professionals.

A suede jacket is waiting in the Athletic Office for its owner. It was found several weeks ago. Describe it and claim it!

Thinlies Lose Meet To USF, Nevada

Last Saturday afternoon, the Pacific trackmen invaded San Francisco and Kezar Stadium to do battle with the Universities of San Francisco and Nevada, only to come out a mediocre third best. U.S.F. won the meet with 65 points, followed by Nevada with 63, and Pacific 34. The weather was exceptional for S.F., Pacific's "pick-up" squad did quite well considering the loss of Bob Hudson, who pulled a leg muscle at the finish of the 100-yard dash, to finish in second place. He was followed closely by Pacific's Joe Leonard, who placed third.

LEINEKE STARS

Ron Leineke of COP took first place honors in two events, to nab high point honors for the Tigers with 10 points. In his specialty, the high hurdles, the stopwatch caught him in 15.4. In the low hurdles, Ron loafed to an easy victory at 26.4.

Pacific Weekly's Athlete of the Week

Ron Leineke

The Pacific Weekly's Athlete of the Week this time is hurdler Ron Leineke of Coach Earl Jackson's cinder team.

Ron was the only double winner in the track meet against the University of San Francisco last week. In his first race the high hurdles he sprinted to a well-earned victory. Again Ron took to the track in the low hurdles and skimmed over the barriers to an easy win.

Along with Bob Hudson, Ron is the mainstay of this year's track squad. He is the boy whom Coach Jackson can depend on for points in our few track meets this season. He was one of the two thinclads who won points for Pacific in the meet with California at Berkeley. Ron took points in the two hurdle races against some of the toughest competition in Northern California.

Casabateers To Be Honored At Banquet Sunday, 4 P.M.

Through for the season but not forgotten, the Varsity basketball team is to be feted at the home of Coach Van Sweet and his lovely wife, Kay, this Sunday at 4:00 P.M.

Commemorating a most notable season, the team will dine on luscious barbecued steaks, a-la Van Sweet, plus all the trimmings, to be topped off with Kay's specialty, hot apple pie.

After dinner, the team will discuss the hi-lites of the '52-'53 season.

Only other first place winner for Pacific was Bob Wall, who tossed the javelin 171 feet. Fred Miller came through for second place in the discus before departing for Cal to play rugby with teammate Bob Woodhouse, who ran a nifty half-mile with a tremendous finish kick for third place.

Coach "Stonewall" Jackson will next pit his forces against San Jose State, and the Santa Clara Youth Center tomorrow afternoon here in Baxter Stadium. The first event, the mile run, is slated to start at 2:00 P.M. A large turnout is expected, so be sure to come early for a good seat.

TIGER SPLASHERS COMPETE AT DAVIS TOMORROW

By "CES" CIATTI

Coach Chris Kjeldsen's College of the Pacific swim team is looking ahead to the forthcoming annual Cal Aggie Relays, to be held tomorrow April 18th at Davis. The Tiger mermen will splash against such high power aquatic clubs as the University of California, Stanford, San Jose State, Cal Aggies, Olympic Club and several others.

So far this season the swim men have won four while losing two. Both of the defeats having come at the hands of the powerful California Bear aggregation.

Natators Take 4th Win Tuesday Night

Tuesday night the fast improving C.O.P. swim team added another victory to its record beating the Sacramento Elks 42-41 in Sacramento. The Tiger natators took five out of ten first places in winning their fourth meet this season. Boyd Mickley, Jerry Smith, Bruce Shore were the individual winners while the Tiger medley relay and the undefeated four-man relay team notched the other two first places.

Then Bengal mermen go into the Cal Aggie Relays with an excellent four won, two lost record, having been defeated twice by the powerful California Bear.

Results:

300 yard Medley Relay — 3:28.9 (COP)
220 yard Freestyle 2:31.9 Johnson (S), Gillen (S), Gehrke (P)
40 yard Freestyle 20.3 Mickley (P) McMillan (P), Allan (S).
150 yd. Ind. relay 1:32.3 Hogan (S), Hardman (P), Lee (S)
Diving Smith (P), Jensen (S)
100 yd. free :58.2 Johnson (S),

The strongest event on the Tiger swim club is the 400 yard freestyle relay team. This team, composed of Bill Chapman, Werner Gehrke, Bob Hardman, and Boyd Mickley has beaten all opposition including the Cal relay team. The best time turned in by the group was in last Saturday's meet with the Bears in which the relayers traveled the 400 yard distance in 3:53 flat. The time compares with the best up and down the coast.

Although weak in reserves and using several freshmen swimmers the team has improved steadily under the tutelage of Coach Kjeldsen. The veterans, who form the backbone of the team this year are team Captain Werner Gehrke, sprint star Boyd Mickley, and divers Jerry Smith and Gil Parrott.

Currently leading the point parade are Gehrke and Mickley with 38 points each.

Chapman (P), Mickley (P)
200 yd. Back 2:45.6 Hogan (S), Allan (S), Gehrke (P)
200 yd. Breast 2:58.3 Shore (P) Mattila (S), Frichette (S)
440 yd. free 5:36.4 Johnson (S), Gehrke (P) Gillen (S)
400 yd. relay — 4:16.7 (COP)

... the TIGER'S DEN

By NORM HARRIS

With the advent of spring, the trips to Malibu and Chapels, Mardi-Gras, cottonwood blossoms falling on an open (blank) face comes another familiar happening.

son produced another breed of activity on the campus. Several former ruggers and other interested parties have already started tossing the football around in small games of "hunch" ball in an effort to gain the feel of the ball before the start of spring practice. The appearance of several new faces vit J.C. transfers, a number of good frosh, and a host of good returning lettermen should provide Pacific fans with a great deal of thrills during the fall season.

The coming spring practice season, summer vacation, and hence fall football brings other thoughts to my mind. Football needs spectators just as spectators want football. To my mind there is a problem here at Pacific and that is the way in which we are treating our fans. The stadium as you know, is a dirt bowl raising some 60 feet into the air. Due to the dirt foundation there was no advisable way in which to get into the stadium than to walk up and over the rim. Now that isn't too hard for younger, more enthusiastic people such as you and I, but it does impose a hardship on older people, and many that I have talked to have adopted the attitude of "I'll stay home and listen to it on the radio."

This attitude, while not large-spread might spread and so we have a suggestion to make to the athletic department. Why not open up the North gates of the Stadium so as to provide gradual incline walking for all those who would rather take "the easy way." This by no means would be a cure-all but it would undoubtedly appeal to many who find "the Bowl" too great a height to ascend.

By the way the new Senior football manager for next year is none other than Manuel "Moose"

Borges. "Moose" can be remembered as the hard-working manager of this year's basketball team. The Fortuna Flash has already moved into his new quarters, at the foot of the "Valley Bowl" and is hard at work preparing equipment for the "troops" who start spring practice later this month.

The Athletic office is still looking for another applicant who can be counted on to work into the manager's job after the "Moose" retires. It's a good opportunity for some of you lower classmen so look into it.

Dave Tivio did an amazing thing last Saturday when he pitched both ends of a double header and won them besides.

This is almost unheard of in modern day baseball so we'd like to say congratulations to the "Iron Man" Dave Tivio, who has become old reliable on the Pacific baseball scene.

Pacific's one-two punch in track, hurdler Ron Leineke and sprinter Bob Hudson, has just become a one punch affair. Hudson pulled his right leg muscle last Saturday at the U.S.F. track meet in Kezar Stadium and the medicos have told him "no more track this season."

As far as that goes the one-punch left, Ron Leineke, might become a no-punch (I doubt this) if he takes a part time salesman job rumored to have been offered him.

Letter to the Editor

To whom it may concern:
I would like to take this opportunity to say I'm sorry for the part I played in North Hall's band frolic. It will not happen again.

Thank you,
TOM McCORMICK

Omega Phi Clinches Intramural Track Championship

Omega Phi Alpha clinched the coveted Intramural Track Championship last Tuesday in Baxter Stadium by virtue of their terrific turnout in the two-day classic.

The Bulldogs garnered but two first place awards in the entire meet, but their consistency in placing seconds and thirds kept them in the running, and eventually pulled them through against a strong Archania aggregation.

The Bells of Archania clinched second place with the aid of Max Stone's first in the broadjump, Claire Sahlman's excellent 880 win, and a win by John Chappia-lone in the 440.

Hard running Jim Baun ran a neat 13.24:6 to capture the two-mile run, and Lowell Herbert's win in the shot-put provided the "gold medals" for the Phoos.

Rhizomia placed third in the meet, and were ably led by Al Dat-tola and Al Culp in the distance events.

Also showing nicely were En-nis McDaniel's upset win in the discus over Omega Phi's Fred Miller, and Joe Leonard's representing North Hall, in his beautiful Century Dash victory.

The final event of the day was the 880 relay which pitted a strong Archite team against a determined Omega Phi foursome. Archania proved too powerful, however, by staving off a driving finish by the Bulldogs.

Stimulation for the meet was provided by Carol Ortnier and Chloe Wheeler, who stood on the finish line urging the competitors on to victory.

Radio KCVN will broadcast the tape of Wednesdays Boxing Show on the air Monday after-noon.

BUZZ'S SPORTS QUIZ

1. Who is leading the current Harlem Globetrotter — College All-Star Basketball tourney?

2. What college is currently playing football on a "play for fun" basis? a) Nevada, b) San Diego State, c) San Jose State, d) Willamette U.

3. Swimming will get that needed shot in the arm when which of the following will sponsor a swim team?

a) 9-11 Club, b) Chappell's Pool, c) Otto's, d) Malibu Beach.

4. What is the new unofficial world discus mark?

a) 2 ft. lin., b) 29 ft. 6 in., c) 170' 8", d) 189' 8".

5. Who has Joyce's Easter Lily?

Answers
1. The Globetrotters, 12 games to 6.

2. San Jose State with a spring turnout of 84 lads.

3. Chappell's Pool in Lodi.

4. 189' 8" by Sim Iness.

5. We do not divulge this type of info, Joyce.

Tivio Turns In Iron Man Stint As Tigers Win 2 Out of 5

Dave Tivio turned in an iron man stunt Saturday, hurling the Tigers to a twin win over the University of San Francisco, 7-0 and 12-8. He fanned seven and walked six in the nine inning opener, allowing three hits. The seven inning nightcap saw two strike-outs, six walks and only three earned runs. Boasting a 5-2 record, Tivio has an earned run average of 2.52.

Friday, April 10, caught the Bengals on the short end of a 24-25 affair with Stanford, while Idaho Falls tagged them for a 20-0 loss Monday at Lodi.

Tigers' hit the road again Tuesday for a contest at Sacramento, with Gene Wellman doing mound chores. Dutch Triebwasser hit twice, for three times at bat, bringing his average to .310. The game ended in a 5-2 win for the Sacs.

Two Scholarships For COP Women Announced by Dean

Qualifications for the applicant to his scholarship are that the applicant must have graduated from a High School in San Joaquin County and must have a scholarship average of 1.8 for her first two years in college and a "B" average in her major subject. The procedure for applying for this scholarship is to secure an application form and file with the Dean of Women at either Stockton College of Pacific by May 15 and submit two letters of recommendation. For answers to questions which you might have about this scholarship see Miss Monroe.

Another scholarship being announced by the Dean of Women's office is one offered by the alumni members of Epsilon Lambda Sigma. This scholarship, being offered this year for the third consecutive time, involves the amount of \$150.00 to be used during the fall semester of 1953 for a woman student enrolled in College of Pacific.

In qualifying for this scholarship the applicant must have a 2.0 grade point average or above. The student must be employed on a part time basis or show need of monetary assistance. Also the girl should be a participant in campus activities but this is not an absolute necessity. On this scholarship preference will be given to a member or pledge of Epsilon Lambda Sigma. Applications must be in the Dean of Women's office by May 15.

Engagement Announced For Lopez, Costanza

"It's Joyce and Rocco!" At West Hall Joyce Lopez read a poem and passed the traditional box of candy to announce her engagement to Rocco Costanza.

Miss Lopez, the daughter of Mr. and Mrs. John Lopez Jr. of San Leandro, is a freshman education major. She is active on the rally committee and in Hall affairs.

Mr. Costanza, son of Mr. and Mrs. Lee Costanza of Martinez, is a senior business major affiliated with Rho Lambda Phi. Their wedding plans are still indefinite.

Dillon Beach Outing Reported "Riotous"

"Quite the riot," is the report from the Dillon Beach trip that was held during Easter vacation. Suntans, new friends, colds, extra units in science and lost articles, plus chow chores, skinned knees and ple-e-enty of sleep (???) — all were results of the weekend.

Dean of Women for the trip was Dr. Arnold—nuff sed.

An historic occurrence took place when John Mossman and Penn James dramatically discovered the Pacific Ocean. (?)

Indeed a lively time was certainly had by all. Even an account of the event went down for posterity, when Marcia Keil and Ginger Runkle composed a rather lengthy, intricate song dedicated to Dillon Beach and its occupants.

Oh, yes, as an extra-curricular activity, the students (??) studied diligently, on Strongylocentrotus purpuratus and the like.

P.S. Oh, girls, would you, by any chance, like to post a plea in the lost and found department?

Cleanup — George Clever

WRA Recreation Offers Badminton and Bowling

By MARGARET HAYES

Do you suffer from steatopygia? (Look it up.) If so, badminton is an ideal cure for this excess avordupois. The gym will be open Monday nights from 7:15 to 8:15 for facilities for this game. Fellas and gals are both welcome.

Bowling is also good for kicks. Why not try it? (Bowling, not kicking). Bowling rates are cheaper (thanks to the W.R.A.) at the El Dorado Bowling Alley on Wednesdays from 3:30 to 4:30 and Saturday mornings from 10 to 12. Again, both men and women are welcome.

Last Monday, a Sportsday at Sacramento was held. Winners of the events were Georgia Dyhberg, Violet Dutton (tennis), Shirley Haneberg, Angie Gomez, and Bernie Frick (badminton).

For further information on WRA's future activities (like the coming Softball Sportsday on May 2nd). Check the bulletin boards in the gym.

Cullenward Graduates Air Cadet In Florida

Richard Cullenward, former student of the College of the Pacific, graduated April 3 as an Air Cadet at the Naval School, Pensacola, Florida.

In addition to a thorough physical training program, the fifteen week course included aeronautical and naval subjects, aimed at preparing officers candidates for flight training and eventual commissions.

The son of Mr. and Mrs. E. Cullenward, 443 Alden St., Redwood City, California, Dick was a member of Omega Phi Alpha, and holds several records in swimming and diving events.

He has been assigned to the Naval Auxiliary Air station at Whiting Field, Milton, Florida, where he is engaged in primary flight training.

STOCKTON COLLEGE IS HOST TO CSF SAT.

Over five hundred high school seniors, representatives of forty chapters of the northern district of the California Scholarship Federation, will be guests of the Stockton College chapter on Pacific campus tomorrow for the annual regional conference of C.S.F.

The conference will begin officially at 8:15 Saturday with registration; the delegates will proceed immediately to the COP auditorium for roll-call by chapters and a business meeting, followed by a musical program.

Following this, Chancellor Tully Knoles will speak on the theme "The Time is Now." With the conclusion of Dr. Knoles' speech the morning session will close and the delegates will adjourn for tours of the Pacific campus, conducted by the Knoles, Blue Key and the Pacific Sophomore Women's Honorary.

The tours will terminate at Anderson Dining Hall for lunch, punctuated by school songs and yells from the various schools, and campaign speeches from prospective conference officers. At this time bids for hosting chapters for the next conference will also be presented.

Reconvening in the Administration building, groups of from thirty to fifty panel members will discuss and develop the original theme, "The Time is Now."

The concluding session will be held in the COP Auditorium, highlighted by the announcing of the new conference officers and the host chapter for next year. The final feature will be a "dance symposium," presenting national dances of eight countries.

The official adjournment will come at 3:45 but members will be extended an invitation to remain on campus for swimming in the College of the Pacific plunge.

Special guests at the convention will be five adult officers of C.S.F., including the State president, Cloyce Martin, of Eureka.

Faculty Visits Educ. Confab

Dr. Willis N. Potter, Director of Secondary Education; Dr. Alfred Painter, Director of Religious Activities; and Dr. J. Marc Jantzen, Dean of the School of Education, are in Santa Barbara today attending a three-day conference of the California Council on Teacher Education which began Thursday.

Dr. Potter is a member of a state committee studying student teaching. Dr. Painter is chairman of a northern California committee on Moral and Spiritual Values in Public Schools.

Dr. Jantzen is the chairman of a state committee to examine the relationship of the junior colleges of California with the four-year colleges with regard to teacher education.

WSSF Drive Stresses Academic Korea Aid

You will have an opportunity to help students in Korea when the World Student Service Fund drive is held on campus in May. The WSSF is not charity, but is meant to aid university and college students and professors in needy countries to help themselves continue their educational pursuits.

The campus drive is under the co-chairmanship of Kane Waggoner and Don Cunningham. With the drive little more than two weeks away, plans for the drive will appear in this paper next week.

Editor of the Weekly
College of the Pacific
Stockton, California

Dear Sir:

I would like to express my appreciation to the administration for the inauguration of the president's convocations. This program of lectures is one of the too few instances at which time student body as a group shares in an intellectually stimulating experience. The committee responsible for the selection of the speakers has done well. However, when you consider the unique nature of the opportunity presented by the convocations to contribute to the intellectual vitality of the campus, it is almost a criminal offense for the committee to choose a speaker who presents no challenge or inspiration to thought or action. It is well for a speaker to be entertaining and to tell good jokes; but it is "perpetrating a fraud" if he does little more than that. I believe that there are good and great speakers available who can broaden and create interests, heighten vision, and fan the buried spark of eager-mindedness. I believe that we at Pacific need all of this type of thing that we can get, and that these convocations can bring some manna into our wilderness. Therefore, I make this plea to those responsible that the convocations give us more than we get from "Life in These United States".

He got lost

Roy "Skippy" Ottoson claimed Miss Pat Darnell as his bride at a 3 p.m. wedding last Friday afternoon at St. Mary's parish in Carson City, Nevada.

The marriage culminated a romance that started six years ago at the newlyweds' hometown of Paso Robles.

Ottoson announced wedding plans to his Alpha Kappa Phi fraternity brothers last Thursday night. There followed a mass migration to Reno, Nevada where the wedding was to have taken place the following day. The men of Archania, attired in their Sunday best, with flowers in hand, were eagerly awaiting the arrival of the bride and groom to be. At 12 o'clock all was ready, but no bride and groom. At 1 o'clock all was ready, but no bride and groom. It was time to return to Pacific, but where were the feature attractions?

Arriving back at Pacific, the disappointed Archites were greeted with a telegram: "Married Carson City 3 p.m. Had complications. Will explain later. Mr. and Mrs. Roy Henry Ottoson, Jr."

When the missing newlyweds eventually arrived at Pacific their disappearance was explained. They had driven half way to San Francisco before realizing Reno was in the opposite direction.

The bride, who is employed by a Paso Robles firm is the daughter of Mr. and Mrs. Clifton Darnell of that city. Prior to her employment there, she attended Denver University. Ottoson, a member of Alpha Kappa Phi and quarterback of the 1952 football varsity is the son of Mr. and Mrs. R. H. Ottoson, also of Paso Robles.

Engagement Told Via Campus Lighting

On the pretext of reporting about the lighting problem on campus, Pete Schneider and Phil Wogaman surprised the girls of South Hall with the announcement of Marilyn Carpenter's engagement to Don Jessup.

Miss Carpenter is a sophomore student at Stockton College and is majoring in sociology. She is the daughter of Mr. and Mrs. C. W. Carpenter of Petaluma, California. Marilyn is affiliated with the 4th year Women's Honorary and "Y".

Don is a senior at COP majoring in chemistry. He is the son of Mr. and Mrs. W. L. Jessup of Alhambra, Calif. Don is a member of "Y", Blue Key, Senate, and is the Student Affairs Commissioner.

The wedding date has been set for June, 1954.

Dramatic Presentation For Sunday Chapel

"Christian Compromise Under Social Pressure" is the title of a dramatic presentation to be presented at the COP Chapel Sunday, April 19 at 5:30 P.M.

Under the auspices of the Campus Church Relations committee, representing the California-Nevada Methodist Conference of Churches, this activity is the first large-scale attempt to encourage students to attend Methodist churches in this area.

Sharon Pruner, chairman of the committee, says "Of the approximately 400 students registered as Methodists in the College of the Pacific, only 10% actually attend church. It is our aim to emphasize to the student the opportunities offered by churches in this area."

Immediately following the presentation, discussion groups will form to evaluate the points presented. Refreshments will be served in Anderson 'Y' after the discussions.

Fire Drill Is Pretext For Announcement

A fire drill Easter Sunday night at Epsilon Lambda Sigma was the occasion at which Miss Virginia Peyton made known her betrothal to Mr. John Tofflemire. Mr. and Mrs. Robert Peyton of Beverly Hills are the bride-elect's parents. Miss Peyton is a graduating senior majoring in sociology, and elementary education. She wears the pin of Epsilon Lambda Sigma.

Mr. Tofflemire, son of Dr. and Mrs. Benjamin Tofflemire of Lafayette, graduated from Pacific. He is now attending the Navy Officers Candidate School in Newport, Rhode Island.

JOB OPPORTUNITIES

For College of Pacific Women At Pacific Telephone

The Telephone Company offers one of industry's most desirable positions to college women as Service Representatives.

These are the girls who look after a customer's telephone needs, whether it be a request for new service, an order to change the type of service, or information about a bill.

It's a job with a good starting salary, friendly associates, regular increases, opportunity for advancement, and many other attractive advantages.

Company Representatives will be glad to discuss this interesting position with you at the college placement office on Thursday, April 23, 1953.

Registration and appointments may be made with Placement Office, Room 105, Administration Bldg.

Letters To The Editor . . .

Dear Fellow Vet:

We have been receiving through TROVETS, our student veterans club, a number of complaints from veterans enrolled under P.L. 550, the Korean G.I. Bill. In essence, the complaint is that a Korean vet at an independent non-tax-supported institution, as yours and mine, has perhaps \$25 or \$35 a month remaining for subsistence after paying tuition, as opposed to the \$75 a month for those on P.L. 346.

I understand that the American Legion, at its convention in New York last fall, passed a resolution calling for the amendment of P.L. 550 to separate the tuition and subsistence payments. This would provide every vet at ALL schools (public or private) the same subsistence, \$80 per month (which would include books)—and a tuition allowance of up to \$360 per semester.

So far the Legion has done nothing on this. We recently talked to the local Legion people, and they said they haven't received much heat on the subject. Well, the heat is there, but I guess we haven't applied it properly.

Won't you take this matter up with the Korean vets in your school, and ask them to write to the American Legion headquarters in your state and the headquarters in Washington? Let's see if we can get the Legion to follow through and secure an amendment which will give a better break to the Korean vets.

We would be glad to have your thoughts on this subject, and to know that you are helping to get the ball rolling.

Very truly yours,
 BOB HALLBERG
 President TROVETS

Editor,
 The Pacific Weekly:

We note with some interest your article of last week concerning the forthcoming C.R.A. Interfaith Cabin Trip on April 10 and 11. Frankly, the last word you tacked onto it has proven a source of some embarrassment. We don't know what to do with the long lines of applicants for the trip which even now are crowding into the "Y" Building and upsetting our whole program. Could you spread the word that we can only handle thirty or so delegates and that these are supposed to be selected by our member organizations?

Another thing — we had planned to get by on the minimum of three chaperones, but now we're afraid we'll have to take along half the faculty. Gosh, Ed, what are we going to do with all these people?

Would certainly appreciate your

assistance in helping us straighten this out.

Yours,

THE COUNCIL OF
 RELIGIOUS ACTIVITIES
 Phil Wogaman, Chairman

Editor, the Weekly:

I was never so shocked in my life as when I read your story on the C.R.A. Cabin trip.

If there is any organization on campus which should be dedicated to saving C.O.P. from this kind of sin it is the C.R.A.

I propose an immediate investigation of the C.R.A. by the college administration and by the P.S.A. Senate. The Weekly could really stir up a hornet's nest by exposing this whole thing. You've done a great job so far — keep up the good work.

Sincerely yours,
 AGATHA WEED
 Off Campus

Editor, the Weekly:

In the presentation of North Hall's Band Frolic Act, we all know there were parts that were embarrassing to the College. Because of my participation in the act, I wish to extend my apology to all students, members of the College of Pacific and to others whom it may concern.

Yours very truly,
 EBBIE MYERS

To the C.O.P. Student Body

Dear Fellow Students:

"You weren't worth the powder to blow you to H—," is what we overheard one Pacific student tell a member of North Hall's Band Frolic cast.

Perhaps the criticism was just.

undoubtedly appear at the faculty vs. student games.

On Thursday morn the breathless moment arrives and during the faculty frolics one of the girls will be announced as the winner of the queen contest. Thus begins the reign of the Mardi Gras Queen of 1953.

Friday will be a day full of celebration for queen and court. Their presence will be required at

fied. Perhaps the skit appeared to be just what it was — a mixture of complacency and overzealousness; complacency on the part of the majority of the members of North Hall, as evidenced by their conspicuous absence, and overzealousness on the part of a couple of members of the minority to overcome an apparent deficiency.

Perhaps the overzealous ones were a little too conscious of that deficiency and attempted to liven up the act with some rather ill-chosen double-entendre, and unwarranted actions. The main thing to remember is that they were trying.

However, criticism is not enough.

The spirit of oneness, campus-wide, as well as hallwide, is what we are striving for at North Hall, and a time when complacency, and its attendant evils will be a thing of the past.

We sincerely hope that in the future, North Hall's participation in campus events will indicate the degree to which the Hall, and its membership, has overcome such complacency and laziness.

JOE LEONARD

The Sophomore General Culture test will be given in the Conservatory April 30 1:00 to 3:50. It is a requirement for students who have completed 28 to 56 units.

CBS
 COLLEGE BOOK STORE

the all-campus carnival which will be held in fraternity circle. There they will participate in the street dance and try their hand at the games of chance and skill that are offered in the various organization-sponsored booths.

Saturday night climaxes the queen's reign. No official duties will demand her attention during the day, but that night is the annual Mardi Gras costume ball. In addition to merrymaking with the other participants, at 11:30 P.M. the queen and her court will be on hand to award the prizes for the carnival booths and for costumes at the ball.

As a grand finale, the queen and the 'ugliest man' will then lead off the grand march to end the evening of dancing and festivities.

The queen has not yet been picked. The candidates still have time for campaigning and waiting. The next Pacific Weekly, however, will carry pictures of the queen and events of Mardi Gras.

Monterey Paintings Now On Exhibit

Watercolor paintings painted on the trip to Monterey Peninsula during Easter vacation, are now on exhibit in the Art Department every day from 8 to 6, Monday and Wednesday evenings from 7 to 9, and Sunday afternoon from 1-5. The exhibit will last for another week.

Each student from the group, with artistic training or not, is represented by at least one of his works painted on this trip. An instructor in the Art Department said he would challenge anyone to guess which paintings had been done by trained or untrained students.

He later explained, 'Each painting captured the general flavor of the Peninsula.' After a brief survey of the works, it is anything but apparent which paintings were done by trained or untrained students.
